

About this Documentation

This document describes how to install Adabas Online System (AOS) manually. Installation on systems using Software AG's System Maintenance Aid (SMA) is described in the *Adabas Installation* documentation. For information about SMA, see the *System Maintenance Aid* documentation.

The Adabas Online System installation documentation is organized in the following topics:

	<i>Installation Requirements</i>
	<i>Installing on z/OS or z/VSE Platforms</i>
	<i>Installing on BS2000 Platforms</i>
	<i>Installing with Natural Security</i>
	<i>Setting the Adabas Online System Defaults</i>
