

Software AG Product Compatibility

Product	Compatible Version Levels and Notes
Adabas (ADA)	ADL supports all Adabas versions currently supported by Software AG. When you run the ADL Consistency in CICS with Adabas version 8.1, a correction must be applied to Adabas (CI812002 for Adabas 8.1.2 or CI813001 for Adabas 8.1.3).
Natural (NAT)	The ADL Online Service is cataloged with Natural 4.1. It is able to run under all Natural versions supporting Natural 4.1 cataloged programs. The ADL Consistency supports all Natural versions currently supported by Software AG.
