

Support for Previous Versions

Software AG plans to provide support for previous Adabas Cluster Services releases and SMs as follows:

Release	Date Released	End-of-Support Date
Version 7.2.1	March 2001	April 2002
Version 7.2.2	December 2001	May 2005

Support for a version level will be provided through the month specified in the End-of-Support Date column.
