

Who is Using Natural?

"Who is Using Natural?" shows processing activity broken down by the individual user. Users are identified by their TP user ID.

This chapter covers the following topics:

- Fields Selected
 - Report Options Selected
 - Report Processing Rules
-

Fields Selected

Field	Order	Sum	Min	Max	Avg	Pct	Rate	Round
TPUSERID	1							
NATAPPL	2							
NATPROG	3							
FILE	4							
CMD	5							
IOS		Y						
COMMANDS		Y						
CMDRESP		Y						
ADADURA		Y						

Report Options Selected

Defaults.

Report Processing Rules

None.
