

Delete Checkpoints

You can remove all Checkpoint file entries up to the date you specify in the Date field by selecting the Delete ("D") option.

```
15:12:49          ***** A D A B A S  BASIC  SERVICES  *****          2006-07-21
          DBID 105          -  Delete Checkpoints  -          PCPD002

          All checkpoint entries up to .. 2006-07-21 (YYYY-MM-DD)
          will be deleted.

          Confirm by pressing the 'ENTER' key or
          modify the date and then press 'ENTER'.
