NAF - Delete Report by Date - Function 43

When you invoke this function, the following window appears:

```
Time 12:53:40         *** Natural Spool Administration ***      Date 2002-10-24
 User SAG                          M e n u                       File 7/411
 +----------- Spool File 7/411 -----------+

 !  Delete reports                        !
 !                                        !        20 Cross-Reference
 !  for Destination/Form DARMSTD_ / *     !        21 Statistics
 !  and/or user ID       SAG_____         !        22 Look at Spool File
 !                                        !        23 CALLNAT Handling
 !  Older than 13__ days or               !
 !                                        !
 !  Older than _____                 !
 !         (YYYY-MM-DD)                    !        Control Functions
 ! ------------------------------------   !
 !                                        !        40 Check Spool File
 !  x  confirm each deletion              !        41 Logging Data
 !  _  delete without confirmation        !        42 Create Test Reports
 !                                        !        43 Delete Reports by Date
 !  _  destroy report data                !
 +----------------------------------------+
 Enter values.
 Command ===>
 Enter-PF1---PF2---PF3---PF4---PF5---PF6---PF7---PF8---PF9---PF10--PF11--PF12---
       Help  Menu  Exit                                                    Canc
```

In the window, specify the following:

- Whether to select the reports by Destination/Form and/or by the user ID.

- The report age: enter a number of days or a date in the format: *YYYY-MM-DD*

In the example above, the Delete Report function deletes all reports:

- of Destination DARMSTD, regardless of the associated FORM value,

- created by user ID SAG,

- older than 13 days.
