Listing Zaps

If you want to have an overview of the Zaps that have been applied to the Natural Optimizer Compiler at your site, use the DUMP system command.

▶ **To obtain a Zap overview**

- Enter the Natural system command

  ```
  DUMP ZAPS NOC
  ```

  A list of the Zaps that have been applied is displayed.

If no Zaps have been applied to the Natural Optimizer Compiler, you will receive the appropriate message.
