Font

▶ **Accessible Using**

1. First open the attributes window of a dialog or dialog element by double-clicking on it or by pressing ENTER.

2. Then select the "..." push button next to the font selection box.

Purpose

Select a font type, such as "Times New Roman", a font face, such as "bold", and a font size, such as "10". After selecting your font, a sample is displayed. When you choose OK, a font control is generated and assigned to the FONT-HANDLE attribute of the dialog element you are currently editing.
