 - 4.2 Contents of the HTML Online Help may not be Displayed
5. Solved Problems

1. Installation

Natural Engineer is now installed via the SAG Installer.

2. Changes and Enhancements

The most recent product documentation, hotfixes and other useful information can be found in Empower.

3. Restrictions

n/a

4. Known Issues

4.1 Online Help

The online help was created at an early stage of the product freeze phase. The most recent information is included in the Natural for Windows documentation which is provided in Empower.

If you encounter an error message when invoking online help for the first time, you probably require an update to your Windows help system.

Please check the following Microsoft web page for the appropriate update file:

[http://msdn.microsoft.com/en-us/library/windows/desktop/ms669985\(v=vs.85\).aspx](http://msdn.microsoft.com/en-us/library/windows/desktop/ms669985(v=vs.85).aspx)

4.2 Contents of the HTML Online Help may not be Displayed

The contents of the Natural HTML online help may not be displayed after installing security update 840315, security update 896358, security update 890175.

To solve this problem, please refer to the following pages:

<http://support.microsoft.com/kb/892675>

<http://support.microsoft.com/kb/896054>

5. Solved Problems

For the list of solved problems, see the file README.FIX.
