

Message Class 1022 - CICS RPC Server User Exit Messages

This page describes messages with message class 1022. These messages have the format:

1022nnnn

where *1022* is the message class and

nnnn is the message number in the range 0000 - 9999.

Error messages of this class are reserved for customer use. The messages are given by the CICS RPC Server user exit implementations. See *User Exit COBUEx02* in document *Administering the EntireX RPC Server* under z/OS | z/VSE.
